Arizona Soccer Club is based in the heart of Gilbert, Arizona and is here to serve the growing demand for soccer in the east valley. During our inaugural recreational season in January 2003, we hosted 333 participants - today the number has grown to nearly 1,300 recreational players and 160 competitive "Thunder" players. We believe in fostering values that contribute to building strong, responsible individuals, as stated in our club mission:

*Arizona Soccer Club is dedicated to establishing traditions that inspire the following sense of **PRIDE**:*

- P***assion* – An attitude that promotes excitement, enjoyment and love of the game
- R***espect* – A spirit of sportsmanship and teamwork that promotes healthy competition
- I***ntegrity* – Instill club values that promote strength of character
- D***iscipline* – Develop technical skills and tactical understanding to help players reach their highest potential
- E***xcellence* – To equip coaches, volunteers, players and parents with exceptional instruction, resources, and customer service to create a positive experience for recreational and competitive soccer.

Our youth sports program provides many benefits for our players, such as:

- PHYSICAL - Fitness, stress relief and healthy habits
- MENTAL – Attitude, self discipline and healthier self image
- PERSONAL - Resilience, leadership, and time management
- SOCIAL - Relationships, teamwork, diversity and sense of community

AZSC is working hard to continue offering affordable and valuable services to meet the needs of our soccer families. But due to current economic conditions and unexpected financial issues, we are seeking sponsors to help fund some of the costs associated with our competitive Thunder Club program. We are a qualified, non-profit 501(c)3 organization, so your sponsorship is tax deductible. Please help us to continue providing opportunities to raise the level of competition and development for our players, as we partner with you to build a stronger community. Thank you for your support!
